## 🌀 About Grace House 🌀

Grace House is a 501(c)(3) Christian mission that empowers abortion vulnerable individuals to make life affirming choices by offering education, resources, and the love and hope of God. We provide material, emotional, & spiritual help. We share compassionate truth about: fetal development; adoption, parenting, abortion procedures & risks; godly living, & parenting. We help the unborn child by meeting the physical, emotional, & spiritual needs of their parents. With Christ as our example, we meet physical & emotional needs & offer the Gospel, & church support.

*Led to work with clients,  
available during some center hours,  
& able to complete application,  
background check & training?  
If so, see **Center Volunteers** section.*

*To help without the paperwork or  
training, see **Other Volunteers** section.*
