Changing Hearts & Saving Lives ~ DeLand, New Smyrna Beach, & Ormond Beach

November 2020

Dear Precious Grace House Friends...

I have some important news for you. Because you have been a key supporter, I wanted you to be among the first to know what's happening.

As some of you know, I've been with Grace House since its formation. A few of us began sensing, in 1998/1999 that God wanted a pregnancy center opened in DeLand. So we began praying. What an exciting journey it's been for me! Over these 20+ years, God has fulfilled every vision He's shared with me. Now I sense that God is telling me it's time for me to pass the baton to a new leader who will continue the good work we've begun and been doing.

I care deeply about Grace House and I'm confident that I'm leaving Grace House in the hands of a wise, God-seeking, capable board of directors, passionate and competent staffers, and compassionate well-trained volunteers! Grace House is very strong, spiritually, organizationally, and fiscally. In fact 2019 was our best year ever, financially and in many other areas. We continue to see God's provision in a mighty way in 2020, in spite of the many challenges. God has blessed us over the years and I'm confident He'll continue to.

I'm excited about this next chapter of our organization. Our mission will remain the same, to share options for life and the Gospel, and the Lord will continue to be the head of this ministry. The board and I believe God knows the right person for this position and He will make him or her apparent to us.

Would you please join us in prayer for God's will in this? Our plan, God willing, is to have someone in place soon to train. God willing, I plan to retire by the end of April 2021.

I cannot thank you enough for your partnership in this mission of offering life and the Gospel. I look forward to continuing my support of Grace House and I am counting on you to continue your crucial support as we transition, and under our new leadership.

I remain dedicated to the Lord, the Gospel, and life. Please let me know if you have any questions.
