

Grace House Pregnancy Center

We exist to empower abortion-vulnerable individuals to make life affirming choices by offering education, resources, and the love and hope of God.

Being a Grace House Ambassador

Ambassadors are crucial to Grace House. It is a wonderful way for you to support this ministry without requiring a steady demand on your time. You can be a married couple, a man or a woman. Getting your pastor's approval is needed.

AMBASSADORS PROMOTE OUR EVENTS, OPPORTUNITIES, & NEEDS IN THESE WAYS:

- ◆ Schedule a Grace House **PRESENTATION** (any length of time) at your church, group, class, or missions meeting or schedule a **TOUR** for your leadership team at one of our centers.
- ◆ Request that your church consider regular **MISSIONS GIVING** to Grace House.
- ◆ **HOST A TABLE** (no cost) at our Annual Gala & invite others at your church to host tables as well!
- ◆ **FORWARD OUR UPDATES** or parts of them. Volunteer opportunities & needed maternity and baby items will be posted on our Facebook Page (facebook.com/GHPRC). You can forward, post, or print these needs in your church publications, or however your church communicates.
- ◆ Consider doing a **BABY BOTTLE FUNDRAISER at your church or groups convenience**. Our brochure tells you more & will help you do this effectively. We have baby bottles & other materials for you to use.
- ◆ **IF YOU MOVE** and/or change churches, please try to find a replacement before leaving (you will know best who has a heart for us) and give us their contact information.
- ◆ **IN YOUR NEW CHURCH** please consider asking the pastor if you can represent Grace House & notify us.

Bring our events & needs to the attention of your church congregation and encourage them to participate. We may ask you to attend 1 meeting per year. We will send you regular email updates & you can share all or parts of the updates with your church. At times, we'll send you specific requests to publish certain information to your congregation. With the blessing of the church leadership, pass the information to your church family by passing out and/or posting announcements, putting info into Sunday school folders or internal mailboxes, requesting to have info printed in your church publications, posted on the church's websites, or by emailing these items to your church folks. You can ask your church secretary to help you. You will get the greatest response if your pastor or minister will promote our events & needs from the pulpit.

If things don't go as smoothly as you hope at the beginning, remember to be patient with your pastor & your church. Not everyone is as committed to this cause as you are. The things you share at your church – over time- will bring about an awareness & commitment to life in your church! So **DON'T GIVE UP!**

Please contact us to confirm that you **ARE** willing to serve in this capacity & please contact me to tour the center (if you have not) & ask any questions you may have. Thanks for considering this!
